Subject :- Grant-in-aid towards the repairs of the temples at Kalasipalya in the Bangalore city.

There are 4 private Institutions in Kalasipalya viz a Chattram Dharmaraya swamii temple, Venkatarama swamii temple and Lakshmi narayana swamii temple - The second and the third Institutions are situated side by side and the first and the fourth opposite them - All these are managed by private parties, most of whom are Moodliars and Pindaris. One G. M. Appa Rao Moodliar is the Trustee appointed by the Chief Court of Mysore and several others

2. The Trustee having applied for

for some grant- basis from the
Imperial Funds towards the repairs
of the Institute in question, the Dy
Comr was asked to report upon the
application and he recommended No 32
entire
the grant of half the estimated cost- 11th June 1903
of the repairs viz Rs 1000, on the
condition of the donatees collecting
the other half. Thereupon an Order- No 259 dated
was granted to the Institute informing 25th June 1903.
him that- if the donatees actually
collected a sufficient sum in the
shape of subscriptions and then
apply to Govt- for aid, the matter
would be considered

3. With reference to this Endorsement-
the Institute has since submitted 2
petitions stating that- in the shape
of building materials and cash
he has collected to the extent of
Rs 400 and prays for the grant- of
Rs 800. The Secretary inspected
the

the buildings and the stones collected, on the 16th march 1904.

It formed part the temples of Dharmaraajaswami and Venkatesa-
- maraswami in a fairly good condition, except the Compound wall, which required reconstructing. The temple of Lakshmi narayana-
- swami and the Chattram, both attached to the main temples, require thorough repairs.

I personally visited these institutions in March last. They are old institutions which are stated to have come into existence nearly a hundred years ago when the Kalasi Palya or Vaccar Lines were formed by the British Military Deptt. They are managed by the Madrasi community of Kalasi Palya and, I am informed, are managed well. The buildings require urgent repair and the Managers ask for your help

GPB—3,000—22-6-06

Although the temples are not Muzrai institutions, it is my humble opinion that some aid may be given with the view of showing to the public that Govt will sympathize with the due maintenance of old & time honored religious institutions even if they are not actually under the management of the Govt.

I would therefore respectfully recommend that a grant of Rs: 300/- (three hundred) may be given for the repair of these institutions out of the State Grant of this year. The Amildar may be asked to see that the grant is properly utilized.

In Govt Pro: No. 3568-9, dated 20th May 1904, a sum of Rs 300/- was sanctioned from the State Grant for the repairs of the Sri Dharmaraja Sri Venkataramanaswami and Sri Lakshmi Narayana swami and of the Chattram at in Kalasa Palya Bangalore City, and the amount was directed to be paid to Mr. Appa Rao Mood, Trustee of the Institutions, through the Deputy Commissioner of Bangalore. The above mentioned sum of Rs 300/- was sanctioned, as it was then brought to notice that the estimate for the said repairs, including the putting up of the gate to the temples &c, amounted to Rs 590/-.

Mr. Appa Rao Mood has now petitioned, stating that the promised contributions of the devotees not having been fully realized and the amount sanctioned by Govt having been found inadequate for the purpose, he himself contributed a sum of

The residents of Palasi Palya in the Bangalore City are keeping up the temples in there efficient working order. In 1904, a sum of Rs30 was sanctioned by Government from the Muzrai grant for effecting some urgent repairs, and such repairs were satisfactorily carried out with the above amount and with contributions from the devotees in materials and money.

A request is now made for exct contribution of Rs. 150/- from the State Grant as additional works are stated to be required. As no money has yet been collected from the devotees I think the Petitioner may be informed that Government will be glad to contribute a sum not exceeding Rs. 150/- if ar

(3) one Chattram with two rooms.

Sir,

With reference to endorsement No 259 dated the 24th/28th July 1903 I beg to state that Charitable people Bodies and Institutions have come forward to contribute towards the cost of repairs to the temples in Kalasipalya, and Subscriptions amounting to Rs 200/- nearly are being collected.

The City Municipal Commissioner Bangalore has also been kind enough to allow me to remove stones in the Fort wall for the purpose of repairing the aforesaid temples free of cost. I have collected up to date 500 stones at a cost of Rupees 125/- for dressing collecting and carting

As

As the repairs to be executed are so extensive it has been proposed to start the work at once and complete the same before the rains set in. It is very much feared that if the work is neglected now the damage will become greater and consequently the cost of repairs twice much higher.

I therefore humbly request that You will be pleased to inspect the temples and the materials collected and make a grant of Rs 500/- to enable to commence the work.

I have also applied for a licence to the Municipality anticipating the grant from Government.

I beg to enclose herein the list of subscriptions in original promised and collected for kind perusal and return already.

Since forwarding the petition praying for a grant from Govt to enable the Trustees to repair the temples and their attached premises I beg to state that great progress has been made in the collections of stones, other building materials and also cash by way of donations and subscriptions. The total value of collections comes to a respectable figure of Rs 400/-

Sir,

While feeling grateful for the past favours I beg to approach you with the following prayer, hoping, that it will meet with your usual sympathy and support, and favourable consideration.

The sum of RS:300/ which was graciously granted by Government in NO:3570 dated 18th: May 04 for the repairs of Dharmaraja and other temples in Kalaspalyam Bangalore City, having been inadequate for the purpose, I supplemented the same with another sum of RS:300/ a portion of which I raised by subscriptions. My expectations in the matter of collections from sympathisers, friends & devotees not having been fully realised, I laid out about RS: 150/. from my earnings, heedless of the consequent family inconvenience, to complete the repairs then intended to be executed.

MR: H. H. Sparkes, the then Deputy Commission who inspected the temple, the Dharmaraja Digvijaya performance grounds, Sree Lakshminarayanaswamy temple and the well recommended for a Muzrai grant of RS:1000 since then grant and collections were not half of this sum, I attended to the repairs of only the Dharmaraja and Venketaramanaswamy temples, hoping that, on inspection you would be pleased to recommend for a further grant for the repairs of the Lakshminarayanaswamy temple

On the occasion of your kind visit to the temples in question on 30-10-04 I brought to your kind

notice the poor state of these institutions and the necessity of putting up gates to the two temples (Dharmaraja and Venketaramanaswamy) which are in the same compound for the benefit and safety of the temples.

I now humbly crave that you will be pleased to recommend to Government for a grant of 150 RS: for the present for putting up gates, plastering the roof with chunnam and putting stone slabs over the walls.

For which act of kindness I and the residents of Kalasapalya shall ever feel grateful

I beg to remain
